

HIGHLAND CITY

Snow Reminders

The safety of Highland City residents during and after a snow event is a top priority for the City. Our Public Works department utilizes all available assets as needed to clear the roads depending on the storm event, snowfall received, and duration of the storm. Salt and sand are used only at intersections and other problematic locations to provide traction.

Snow Plowing Priority

Please see the inserted map for street plowing priority. Priority is based on the road classification and usage intensity. Streets identified as arterial or collector roads, which are deemed to be in the minimum network needed to provide basic transportation for public safety, schools, or steep grades, receive priority. These streets will be plowed 24 hours a day, 7 days a week when weather conditions warrant. When storm conditions have moderated, roads interior to subdivisions, including cul-de-sacs, will be plowed. It may take anywhere from 3 to 5 days after the storm before crews are able to clear all of these areas.

There are three traffic corridors within Highland that fall under the jurisdiction of the Utah Department of Transportation (UDOT). These roads are SR-92 (Timpanogos Highway/Canyon Road), SR-74 (Alpine Highway), and SR-129 (North County Boulevard). Questions and concerns regarding these roads should be referred to the UDOT Region 3 offices at 801-227-8000.

Street Parking

Street parking is prohibited from December 1 to March 31 between the hours of 12:00 a.m. and 8:00 a.m. and any time snow is present to allow access to the plows for snow removal. The Police Department may issue parking citations or even have vehicles towed that are parked on the street during or shortly after a snow storm. Residents should also be mindful to keep all obstructions such as basketball hoops, trailers, trash cans, etc. off the streets during snow removal.

Clearing Driveways

When snow is plowed the resulting windrow flows to the side of the road including in front of mailboxes and into driveways. We understand that this is extremely frustrating to our residents. Because our first priority is to clear the road and create a safe travel way, it is not an option to raise the plow blade at every drive approach. We ask for your understanding and cooperation. Clearing a 10-foot area of the oncoming lane shoulder may help with this.

Sidewalk Clearing

Property owners should clear their sidewalks 24 hours after a snow storm. This helps ensure children can make it to school safely and other pedestrians stay safe as well. Please remember to push the snow onto your own property. Putting snow into the streets can make the road more dangerous for automobiles and snowplows. After the snow has been removed from the streets, Public Works employees will work to remove any snow from the walking trails and school sidewalk routes.

Council Brief

In each month's newsletter we give a brief overview of some stand-out items from Council meetings. For full agendas, minutes, & audio, visit <http://bit.ly/HC-archive>.

November 14

An updated concept plan was approved for Blackstone Development located northeast and east of the Town Center Splash Pad. The new concept plan decreased the number of units, density, and building height and increased the landscaping. The developer will now work with staff to get their plans approved.

The Council passed the modification to the Library hours that will begin in January. See below for more information.

City Council approved the purchase of two new snowplows. One will replace a current vehicle and one will be added to our snowplow fleet. Staff has ordered those snowplows and will put them into use as soon as possible. For more information on snowplowing, see page 1.

November 21

The City Council approved the final canvassed results of the General Election. See more information in the 2017 Election Information article.

Christmas Crafts Day

Join us on Saturday, December 2 from 10:00 AM - 12:00 PM at City Hall for some great holiday activities including crafts; performances by the Highland Children's Choir, Chime Choir, and Flute Choir; activities at the Library, and visits with Santa Claus. Crafts range from free to \$1.25. All proceeds go towards the Highland City Arts Council.

Highland City Cemetery Cleanup

Highland City seeks to offer families and friends that visit their loved ones resting in the cemetery a clean, beautiful, and peaceful environment. Please help us maintain this goal by keeping your site clean. The next cemetery decoration cleanup will be on Monday, December 4. Perishable items will be discarded and all trinkets, shepherd-crooks, etc. will be removed and taken to the Public Works Shop. These items will be held for two weeks to be claimed before they are discarded.

Timpanogos Special Service District

The green waste drop-off site will be closed December 1, 2017-March 15, 2018. During this time, compost will be sold and Christmas trees can be dropped off by appointment only. Call 801-756-5231 for an appointment.

2017 Election Information

The final election results are as follows. Mayoral Seat: Jessie Schoenfeld—1,676 and Rod Mann—2,061. City Council: Scott L. Smith—1,771; Christopher Kemp—1,296; Kurt Ostler—2,319; and Dennis LeBaron—1,454. Congratulations to Mayor-Elect Rod Mann and Councilmembers-Elect Scott L. Smith and Kurt Ostler. All three will take office on January 1, 2018. More information is available at <http://bit.ly/HC-candidate>.

Socks for Souls Sock Drive

This year the Retired Senior Volunteer Program is collecting new pairs of socks in any size and color and distributing them to those in need. Socks can be delivered to any location listed at: mountainland.org/socksforsouls or call 801-229-3810 to arrange to have them picked up. Donations accepted until January 11, 2018.

Business Highlight

Inside this newsletter, you'll find a highlight of local businesses. We at Highland City encourage you to support these and our other great local businesses. Shopping local not only keeps more sales tax money in Highland, but also is a way of supporting friends and neighbors who work in or have businesses in Highland. When we shop local, Highland wins.

Highland Historical Society

Monthly Story-Electricity Comes to Highland

Yukus was born April 1, 1916 in Shimane, Japan to Chokichi and Otawa Kawasaki Inouye. His father came to the U.S. and worked for U & I Sugar in Preston, Idaho for two years until he raised enough money to send for his family. They came from Shimane Ken, a small town in Japan where the only way to make a living was farming, fishing, and tile making. After his family arrived they rented a sixty acre farm in Taylorsville and then bought a twenty four acre farm in Union where they raised chickens and strawberries. Story continued at <http://bit.ly/HC-historical>.

The Historical Society is now online! Visit their page at <http://bit.ly/HC-history> or go to www.HighlandCity.org and click on About Us->Historical Society. There you'll find our monthly newsletter articles, an interactive map of 1958 Highland, a listing of historical homes and families, a map of the original homesteaders, historical censuses, and more. We would like to sincerely thank Claudia Sudweeks for volunteering her time to put all of this valuable information online. She has done a great job and we truly appreciate her efforts!
