Please describe and draw the flow of drainage on the property:

*There can be no drainage onto Highland City Property.

By signing below, I agree:

1. There will be no damage to Highland City property including:
 - a. All foliage (no removal of trees or other vegetation)
 - b. Existing structures or buildings
 - c. Sidewalks, roads, or trails

*If any damage occurs, I understand and agree to restore the property back to its original state.
2. All construction will happen solely on the property where the construction is being proposed.
 - a. Public trails, easements, or open space CANNOT be used as construction access.
3. There will be no unapproved drainage onto Highland City Property or into the city sewer.
 - a. Illicit drainage is as described: Any discharge to the municipal separate storm sewer system that is not composed entirely of storm water. Illicit discharges include both direct connections (e.g., wastewater piping either mistakenly or deliberately connected to the storm water system) and indirect connections (e.g., infiltration into the storm water system or spills collected by drain inlets).
